

BERMUDA END-TO-END 2027 GRANT APPLICATION

IMPORTANT GRANT APPLICATION INFORMATION

The Bermuda End-to-End (E2E) awards grants that fund non-sectarian Bermuda charitable programmes / projects that sustain and strengthen Bermudian families, the Bermuda Railway Trail and the wider Bermuda community. We support registered Bermuda charitable organisations that comply with the regulations set out in the Bermuda Charities Act 2014 and adhere to non-profit / charitable industry standards of accountability, governance and transparency.

The selected charities must be committed to assisting with all aspects of the E2E's fundraising efforts as requested. They must champion the support provided by the E2E throughout the lifetime of the grant on all their media platforms including social media, websites, print advertising and other forms of publicity.

Grant applications should be based upon either a \$10,000 or a \$50,000 allocation. Funding is typically distributed in July following the E2E Awards Reception. Grant recipients are required to complete and submit a Grantee Report by the end of January following the grant award.

Applications can be submitted online at:
